

HEALTH PROFESSIONAL TRAINING

The Health Risks of Vaping for Teens Webinar by 808NOVAPE

Date: Friday April 24, 2020

Time: 12:00 - 1:30 PM

Registration Link: https://zoom.us/webinar/register/WN_A6TZIDgOTka18gPPMY6UKA

This presentation will introduce statistics on the vaping epidemic and share education on the harmful effects that vaping has on our youth.

Learning Objectives:

- Compare national, state and local Hawai'i youth vaping rates
- Educate the public on the potential health impacts of youth vaping
- Address the recent changes in ESD technology that increase the vulnerability of youth to ESD use and nicotine addiction
- Examine current resources that exist for youth vaping cessation

Guest Speaker: Kevin Ramirez
Youth ESD Prevention Project Coordinator
Hawai'i Public Health Institute

This training is pending approval for 1.5 CE CSAC hrs, 1.5 hrs with the National Association of Social Workers - Hawai'i Chapter, 1.5 hrs for CHES/MCHES, 1.5 CPEUs for RD/RDN/DTR and 1.5 CNEs for Nurses. This activity is co-sponsored with the University of Arizona's College of Nursing CPE Unit for 1.5 contact hours. The University of Arizona Continuing Professional Education is an approved provider of continuing nursing education by the Continuing Nursing Education Group, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under UB6HP27880 and Affordable Care Act (ACA) Public Health Training Centers.
