## Brain Health and Preventing Dementia

Friday, July 14, 2017, 12 pm to 1:30 pm

The CDC's Healthy Brain Initiative is motivating practitioners and service providers to help all engage in best practices for brain health and preventing dementia. Hawai'i State Plan has the vision to support all Hawai'i's people who are touched by Alzheimer's Disease and Related Dementias (ADRD) with early detection and quality care.

### Registration Link:

**Guest Speaker: Kamal Masaki, MD, Professor of Geriatric Medicine**

### Speaker Bio:

**Kamal Masaki, MD**, Professor and Chair of the Department of Geriatric Medicine at the John A. Burns School of Medicine, University of Hawai'i Mānoa. She earned her medical degree at the University of Bombay, India, and completed Internal Medicine Residency training at Michigan State University and Geriatric Medicine Fellowship training at the University of Hawai'i Mānoa. Dr. Masaki was the Director of the Geriatric Medicine Fellowship Program at the University of Hawai'i Mānoa for 8 years and is board certified in Internal Medicine and Geriatric Medicine. Dr. Masaki has received numerous teaching and research awards, and was selected by Hawai'i physicians to "The Best Doctors in America" three times. She is a co-author on over 200 publications in scientific journals.

### Learning Objectives:

- 1) Describe risk factors of Alzheimer's disease and related dementias (ADRD).
- 2) Explain "The Health Brain Initiative" as supported by CDC and Alzheimer's Association including what role public health needs to do in addressing ADRDs.
- 3) Recommend the best steps to locally improve and promote brain health in Hawai'i including highlighting best practices and collaborations already in place.

## Contact Information

Email Camille Cristobal [cuc@hawaii.edu](mailto:cuc@hawaii.edu) or call 808-627-5246 for help.

Recordings after the training can be found at: <https://www.youtube.com/user/vyontz1>

## WEBINAR Directions

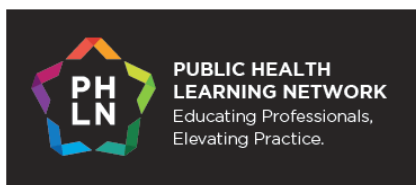

Register using the Zoom link in this flyer. Once you register for the training, then you receive Zoom email. Each attendee's Zoom link has an unique URL to join the webinar room where you enter to view the slides and the audio can be heard through your computer. As you click the link to join the Zoom webinar, you will have to allow your computer to initially download (once only) the "Zoom launcher.exe" software file. This only needs to happen once if you allow your browser to "allow and remember" for future trainings. Be sure that your computer and browser have selected your headphones or speakers in order to hear the audio through your computer. If your computer audio does not work, the registration link also has a call-in phone number that you can use on your phone for the audio portion.

The Hawai'i Public Health Training Hui (HPHTH)-collaborative that offers ongoing continuing education to all healthcare professionals and community members working in Hawai'i to promote population health, social welfare, and well-being. The Hui and University of Hawai'i-Office of Public Health Studies are members of Western Region Public Health Training Center.

The Western Region Public Health Training Center [WRPHTC](#) has partnered with the National Coordinating Center for Public Health Training plus nine other Regional Public Health Training Centers, and 40 local performance sites across the nation to form the [Public Health Learning Network](#) (PHLN). The PHLN's goal is support healthcare workforce's educational and training needs and elevate the field of public health.
