**PARTICIPANT REACTIONS**
- 91% said the information was presented clearly
- 90% were satisfied overall
- 89% said their subject matter understanding improved
- 86% identified workplace actions to apply

*Based on the training evaluation data collected from 5,112 trainings across the ten Regional Public Health Training Centers on trainings conducted between July 2018 and June 2022 using these four Public Health Learning Network Common Evaluation Metrics:
  1. My understanding of the subject matter improved as a result of having participated in this training.
  2. I have identified actions I will take to apply information I learned from this training in my work.
  3. The information was presented in ways I could clearly understand.
  4. I was satisfied with this training overall.
