REGIONAL PUBLIC HEALTH TRAINING CENTERS TRAINING METRICS

JULY 1, 2018 - JUNE 30, 2019

Located at the top universities throughout the United States, the regional Public Health Training Centers focus on evidence-based applied practice and workforce development to ensure public health professionals have access to convenient, flexible ways to meet their learning goals.

ACTIONS TO APPLY**

*Based on the training evaluation data collected from 829 trainings across 9 of the 10 Regional Public Health Training Centers on trainings conducted between July 2018 and June 2019 using these four Public Health Learning Network Common Evaluation Metrics:

1. My understanding of the subject matter improved as a result of having participated in this training.
2. I have identified actions I will take to apply information I learned from this training in my work.
3. The information was presented in ways I could clearly understand.
4. I was satisfied with this training overall.
