

HEALTH PROFESSIONAL TRAINING

Vaping 101

Date: Friday August 9, 2019

Time: 12:00 - 1:30 PM

Registration Link: https://zoom.us/webinar/register/WN_20YojmgET9qb0GTVqPEoVg

This presentation will help attendees orient to the current youth vaping epidemic in Hawai'i. Learning Objectives:

- Compare national, state and local Hawai'i youth vaping rates.
- List the top three reasons why youth use electronic smoking devices (ESDs).
- Describe the health effects of nicotine in youth.
- Discuss potential health impacts of vaping.
- Discuss recent changes in ESD technology that increase the vulnerability of youth to ESD use and nicotine addiction.

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under UB6HP27880 and Affordable Care Act (ACA) Public Health Training Centers. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.

Guest Speaker: Forrest Batz, PharmD

Retired Faculty, Daniel K Inouye College of Pharmacy, University of Hawai'i at Hilo
